### Itinerary 3 - Holy Trinity Church, Hrastovlje

#### Map

#### Description of the itinerary.

##### ***Name of the place to visit: Brief history and main features at historical, cultural and touristic level***

On the edge of Hrastovlje, among vineyards and olive trees you will spot a stone wall above which a bell tower of the church of the Holy Trinity peeks. The church was built in the 15th century and the wall with two defense towers (for protection against Turk invaders) was built about 100 years after. The architecture of the church is very interesting. The church itself is quite small, but it boasts with the greatest and best preserved frescoes in Slovenia. Frescoes are of earthly colors, motifs mainly religious and they show
